

ValuesTechnology

On June 2010, the VT leadership proudly certifies

*Tone Ringstad of Values@Work AS*

**A Values Technology, Inc Strategic Partner**

An accredited VT practitioner since 1999, Tone has distinguished herself by successfully completing over twenty distinct HT values-based projects. As a Strategic Partner, Tone ensures continuity of the Hall-Tonna values legacy by initiating, supporting and marketing the VT concept, methodology and business in close partnership with VT. Tone delivers her expert services in an impeccable professional manner elevating the benchmark for others in the VT community of practice to follow.
